“Disc Jockeys at their Best!”

Rated as Vermont's top Wedding Entertainment by Brides & Grooms from theKnot.com, WeddingWire.com and WeddingBook.com

Words can't even begin to describe how awesome our wedding reception was. We have NEVER had that much fun at a wedding! All of our guests had a blast, your music choices were perfect and you included EVERYONE! From the first moment we met, we were immediately impressed. You were very thorough in helping us plan our extremely memorable night. You truly did an amazing job. We have some of the best pictures of kids and adults using your awesome props!!!! We have friends that attended who are already planning on booking you for their wedding. Thanks for making our special day so unforgettable. You are the BEST!!!!!!!!!!!!

~ Kay and Scott Trafton

Not just another Wedding Reception! You're planning your Wedding Reception and you want music and entertainment that reflects your taste. Well, that's what we do best! Through our personalized attention to your wants and needs, we will help you plan your Wedding Reception to match your style and preferences for you and your guests so that everyone can enjoy the celebration.

Minutes & Moments! We meet with each Bride & Groom to get an opportunity to meet face-to-face and go over, in detail, all aspects of your Reception. The yes's and no's, the do's and don'ts and the minutes and moments. Once choices are explained and decisions are made, the worries are over and the rest is in our hands. The end result is you get exactly what you want while we work with everyone involved (caterer, photographer, ...etc.) to ensure your Wedding Day is everything you desire.

Our Music Selection is Overwhelming! We have songs ranging from the popular categories of current top 40 Dance & Hop Hop, Rock 'n Roll, 80's & 90's to the likes of Disco, the 50's & 60's, Motown, Country, Big Band, Swing, Reggae, Latino, and more! Our entire music collection is digital CD like quality MP3 for flawless sound. We're well equipped to deliver music to satisfy your family and friends. And keep in mind that we can get nearly *any song* you request for your reception, even if it doesn't appear on our list. And yes, our music list is online so check it out!

With our dedication to personalized Weddings, professionalism, experience, music selection, sound quality, appearance and personal talent, we have everything you need to make your Wedding Day the most memorable experience of your life.
